

Step 1: Log Into Your Webmail

Start by logging into your **Webmail**. Either by visiting www.yourdomain.com.au/webmail (replace 'yourdomain' with your actual registered domain name).

Or by visiting <http://210.8.91.150/webmail>

WebMail Login

Username

Password

Note: Your Username is usually your email address.

Step 2: Select Your Preferred Online Email Client

Once you have logged into your **Webmail**, you can now select your preferred Online Email Client.

Select either **Horde** or **SquirrelMail**.

You are logged in as
